Dear Charissa:

On behalf of the Chaparral Country Club and the Couples Invitational Committee, I would like to personally thank you for your generous donation. We fed and entertained a field of 160 players from all over the valley and beyond for three days.

Enclosed you will find a copy of our program listing your company, and as a thank you, a certificate for a round of golf for four, including cart, at Chaparral.

As always, we encourage our owners to use your services when the occasion arises.

Most Grateful,
